A. HIGHLIGHTS OF 2005 ACCOMPLISHMENTS

Again, PASSO jointly received honors as No.1 in real property assessments and tax collection among all provinces in Region 7 for CY 2005 together with the Provincial Treasurer's Office. More so, Bohol thru Passo also got the highest number of municipalities to avail the LOGOFIND RPTA (a foreign assisted project) region wide. It also assisted the province mega projects in terms of the conduct of appraisal of real properties that are affected by the BCRIP II for just compensation purposes and the issuance of subdivided tax declarations as the results of the irrigation canals to be constructed under the BHIP II superheaded by the NIA.
