NEWS OF THE NIGHT

"Grace to you and peace from God our Father and the Lord Jesus Christ." (Eph 1:2) I'm so thankful to our Heavenly Father that you are partnering with me in my ministry, whether by money, prayer or both.

As I mentioned in my last newsletter, this past December we hosted 17,000 people, mostly young adults, for our annual **onething conference**. It was a four day event with the last day being **The Call-KC**, which was a time for many from around the country to gather and cry out for revival in America in 12 hours of fasting and prayer as outlined in Joel 2.

I am involved as a sound tech in the second IHOP prayer room, called the **Justice Prayer Room**. In a few weeks, we are starting up the part of Nightwatch there and covering of the night in prayer from both the original Global Prayer Room and the new Justice Prayer Room. I am super excited to see where God is taking this second prayer furnace.

As you most likely know, I am supported financially totally by individuals and organizations that choose to partner with me. My **biggest need** at this time is still for consistent monthly or yearly supporters. I am asking you to consider partnering with me in my ministry as an intercessory missionary. Also, if you think any of your friends or family would like to hear about what I'm doing as an intercessory missionary, I would love for you to mention me to them. Thank you and God bless you!

TRUTH TIME

WHAT GOD IS TEACHING ME

I believe that 2008 is a very pivotal year for our nation. With the presidential elections in November, the choices we make politically will affect our lives directly for the next 4 years. This is huge not only because of the political decisions that our future president (and other members of government) will make but also because this nation is not "on good terms" with God.

TRUTH TIME

WHAT GOD IS TEACHING ME (CONT. FROM PAGE 1)

We have a window of opportunity (from now until November 4) to plead with God for mercy on our homeland. God has mapped out for us in Joel 2:12-17 the "action plan" for His people when their nation is in a state of crisis. *"Now, therefore," says the LORD, "Turn to Me with all your heart, with fasting, with weeping, and with mourning."* (vs. 12) **We must return to Him!** Verse 14 says, *"Who knows if He will turn and relent, and leave a blessing behind Him..."* God has given us the opportunity this year to pray and fast for our nation. Although going and voting in the primaries and in November are vital, the most important war is waged from our knees. We need to cry out for God to have mercy on the US. He has vested in us the authority to determine the destiny of our nation through prayer. To use the words of Joel, *who knows* if He will give us a righteous president? I don't really want to think of the alternative of what could happen if we don't pray and a wicked president is elected. The judgment of God on the US is near at hand. As a whole, we live in wickedness. The blood of 50 million murders of babies slaughtered through abortion is on our hands. We are definitely in a time of crisis. These next years of 2008-2012 can be a window of mercy. **We need to fast and pray! There is no other option!**

MINISTRY MESSAGE

WHAT IS IHOP ALL ABOUT?

On September 19, 1999, a prayer meeting began which continues to this day. From dawn to dusk and through the watches of the night, prayer and worship continues twenty-four hours a day, seven days a week. The Prayer Room is the heartbeat – the essence and origin – of all that goes on at the International House of Prayer. May the fire on the altar never go out.

The International House of Prayer in Kansas City is basically a community of missionaries whose calling is to stand before the Lord in intercessory prayer and worship. The Prayer Room is a large room where there is always 24/7 prayer and worship. You can find more information about IHOP at <http://www.intercessorinformer.com/ihop> or <http://www.ihop.org>. IHOP is one of many houses of prayer that the Lord is raising up across the world. We are so blessed to live in such a time as this!
